Report DMCA Whether you're studying for the interventional cardiology board exam, preparing for recertification, or simply want a concise review of the field, SCAI Interventional Cardiology Review, 3rd Edition, brings you up to date with recent changes in interventional cardiology while also preparing you for exam success. Written by global experts who are Society for Cardiovascular Angiography and Interventions (SCAI) members and leaders, coverage includes all topics on the exam, with the addition of new review questions, new topics, and revised information throughout. From basic to clinical science, each author discusses the most important aspects of a specific topic, followed by study questions and references. An online self-assessment question bank that lets you test your knowledge and track your progress as you learn. A new chapter on interventional DVT/PE (deep vein thrombosis/pulmonary embolism) keeps you current with the increased use of catheter-based therapies to treat venous thromboembolism. New coverage includes structural heart interventions focusing on TAVR, percutaneous mitral valve repair (Mitra-Clip), closure of atrial septal defects, and left atrial appendage occluder indications. More than 350 illustrations and numerous tables let you reference key facts quickly—improving retention and saving you valuable study time. Summarizes a wide breadth of material in one convenient volume, giving you an efficient, all-in-one resource for study and review. Your book purchase includes a complimentary download of the enhanced eBook for iOS, Android, PC & Mac. Take advantage of these practical features that will improve your eBook experience: The ability to download the eBook on multiple devices at one time – providing a seamless reading experience online or offline Powerful search tools and smart navigation cross-links that allow you to search within this book, or across your entire library of VitalSource eBooks Multiple viewing options that enable you to scale images and text to any size without losing page clarity as well as responsive design The ability to highlight text and add notes with one click E-Book Information Year: 2,018 Edition: 3rd Pages: 1,369 Pages In File: 1,369 Language: English Topic: 159 Identifier: 9,781,496,360,557 Commentary: CONVERTED PDF Org File Size: 39,486,815 Extension: pdf Tags: Interventional Cardiology Morton J Kern, Peter B Berger, Peter C Block, Lloyd Klein, Warren Laskey Debabrata Mukherjee, Leslie Cho, David J. Moliterno Leslie Cho MD, David Moliterno, Richard Lange, Saurav Chatterjee, Debabrata Mukherjee M.D. Written by members of the Society for Cardiovascular Angiography and Interventions (SCAI), this book is a comprehensive yet concise review for board certification and recertification exams in interventional cardiology. It covers all the topics that are on the interventional cardiology board examination, including important clinical trials likely to be tested on the exam. More than 180 illustrations and numerous tables for easy study are included. Join us for the ACC/SCAI Interventional Cardiology Overview and Board Prep Course to receive the most up-to-date, evidence-based review of interventional cardiology! Engage in-person with the course faculty and your peers, where didactic lectures are combined with question-and-answer sessions to enable you to quickly identify and address your learning gaps. This signature course includes: 3 days of educational sessions! In-person access to expert faculty in Washington, DC. Comprehensive didactic lectures and interactive question-and-answer sessions Networking opportunities with the faculty and your peers. Goal Anchoring on the ABIM Board Certification Blueprint, the overall goal of this course is to review and update knowledge and competency for the prevention, diagnosis, and treatment of the full spectrum of interventional cardiology for physicians preparing for the initial certification exam or maintenance of certification assessment or seeking a comprehensive review of interventional cardiology. Target Audience This course is intended for interventional cardiology fellows in training preparing for initial board certification and practicing interventional cardiologists preparing for a maintenance of certification assessment or seeking an in-depth review of interventional cardiology. The secondary target audience is interventional cardiology team professionals, particularly physician assistants and advanced practice nurses. Course Directors Sahil Parikh, MD, FACC, FSCAI Columbia University Medical Center Jennifer Tremmel, MD, MS, FACC, FSCAI Stanford University Medical Center Planning Committee Rajiv Gulati, MD, PhD, FACC, FSCAI Mayo Clinic Kathleen Kearney, MD, FSCAI University of Washington Michelle O'Donoghue, MD, MPH, FACC Brigham and Women's Hospital Mitul P. Seto, MD, MPA, FACC, FSCAI Long Beach VA Medical Center Binita Shah, MD, FACC, FSCAI NYU Langone Health Rahul P. Sharma, MBBS, FSCAI Stanford University Disclosure/Conflict of Interest Statement As a provider jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), the American College of Cardiology Foundation (ACCF) must ensure balance, independence, objectivity and scientific rigor in all of their directly provided or jointly provided/co-provided educational activities. Planners, presenters, and other contributors, in a position to control the content are required to disclose to the audience all relevant financial relationships he/she and/or his/her spouse or domestic partner may have, occurring within the past 24 months, with any entity producing, marketing, re-selling, or distributing health care goods or services consumed by, or used on, patients. When an unlabeled use of a commercial product or an investigational use not yet approved for any purpose is discussed during an educational activity, the contributor should disclose that the product is not labeled for the use under discussion or that the product is still investigational. ACCF is committed to providing its learners with high-quality activities and materials that promote improvements and quality in health care and not a specific proprietary business or commercial interest. The intent of this disclosure is not to prevent participation in educational activities by persons with a financial or other relationship, but rather to provide learners with information on which they can make their own determination whether financial interests or relationships may influence the education activity. ACCF assesses conflicts of interest (COI) with its faculty, planners, managers, staff and other individuals who are in a position to control the content of certified activities. All relevant potential conflicts of interest that are identified are thoroughly vetted by course directors, ACCF education staff, and members of the Accreditation Compliance Workgroup (ACWG) through a process that includes appropriate peer review for fair balance, scientific objectivity and validity, and patient care and safety recommendations. ACCF has taken the necessary steps to ensure that all relevant financial relationships have been mitigated. Please note ACCF staff and the ACWG members involved with this activity have nothing to disclose. Click here to download the agenda. Online: Click the Register button at the top of the page Phone: 800-253-4636, ext. 5603 or 202-375-6000, ext. 5603 Registration for the ACC/SCAI Interventional Cardiology Overview and Board Prep Course includes access to the educational sessions at the in-person course, including breakfast, refreshment breaks, lunch, and course materials. Interested in combining your course experience with CathSAP (ACC/SCAI's flagship self-assessment program)? Click here to purchase the Gold Package. Registration Fees Rate Type Example Designations Early/Until 7/27 Advanced/7/28 until 8/31 Regular/9/1 through Onsite ACC/SCAI Member/Includes International Associate) MD, DO, PhD \$1,530 \$1,671 \$1,811 Non-member/Includes Industry Professional) MD, DO, PhD \$2,147 \$2,287 \$2,428 ACC/SCAI Member Reduced/Includes CVT Member) PA, RN, NP, CNS, PharmD, FIT, Resident, Student, and Emeritus \$920 \$1,059 \$1,200 Non-Member Reduced PA, RN, NP, CNS, PharmD \$1,222 \$1,368 \$1,509 *If you are a SCAI member, and not also an ACC member, please call 800-253-4636, ext. 5603 or 202-375-6000, ext. 5603 to register at the discounted member rate. Cancellations Cancellation, substitution or transfer to another course is allowed if written notification is received four weeks before a scheduled course. A full refund minus a \$250 processing fee will be given for written notifications received fewer than four weeks before the first day of the course. No refund will be given for no-shows. ACC reserves the right to cancel the course in the unlikely event of insufficient enrollment or other unforeseen circumstances. If a course is canceled or postponed, ACC will refund registration tuition but cannot be held responsible for other costs or expenses, including cancellation/change penalties assessed by airlines, travel agencies or hotels. Location The course will be held at Heart House at the American College of Cardiology, 2400 N St. NW, Washington, DC. Accommodations A block of rooms has been established at The Westin Georgetown. The room rate is \$179 plus state and local taxes per night. The room block is scheduled to be held until Friday, September 9, 2022, but may sell out prior to this date. Any reservations made after September 9, 2022 shall be at the hotel's current available rate. How to make a reservation: Phone: 1-888-627-8406; reference ACC/SCAI Interventional Board Room Block Online: Book here We advise you to register for the course and reserve your lodging as soon as possible. When you make your reservation, please be sure to ask about early departure fees or cancellation penalties. We are committed to health and safety at the ACC/SCAI Interventional Cardiology Overview and Board Prep Course and there is a COVID-19 vaccination requirement in place for the meeting. This requirement (no exceptions) will enable access to Heart House and will apply to all meeting participants and ACC staff. Although a booster vaccination is not required to attend the ACC/SCAI Interventional Cardiology Overview and Board Prep Course, it is very strongly encouraged. To manage this process efficiently and effectively, and to safeguard the participants expected at the ACC/SCAI Interventional Cardiology Overview and Board Prep Course, it is important for all participants to adhere to the vaccination requirements. Anyone not able to show proof of vaccination cannot be considered fully vaccinated and will be denied entry to Heart House. If you have reason to believe that you have recently been exposed to COVID-19 or have tested positive for COVID-19, you should not attend the ACC/SCAI Interventional Cardiology Overview and Board Prep Course, including if these conditions emerge while you are in Washington, DC. Please consult with your physician to determine appropriate next steps. We encourage all individuals to follow applicable guidance from their care providers and relevant public health authorities. We will continue to monitor Centers for Disease Control (CDC) recommendations, will update safety measures as appropriate, and will share information with participants on a timely basis. Please continue to monitor this page for the most up-to-date information on health and safety protocols. Please carefully read the information below which will guide you through the entire vaccination verification process. To avoid delays during the entry process into Heart House, it is strongly recommended that you complete your vaccine verification in advance of travel to Washington, DC. Definition of Full Vaccination An individual is considered fully vaccinated two weeks after their second dose in a two-dose series, such as the Pfizer-BioNTech and Moderna vaccines, or two weeks after a single-dose vaccine, such as Johnson & Johnson's Janssen vaccine. The final dose of COVID-19 vaccine must be administered at least two weeks prior to arrival. Although a booster vaccination is not required to attend the ACC/SCAI Interventional Cardiology Overview and Board Prep Course, it is very strongly encouraged. Please note: Acceptable vaccines are those with approval or emergency use authorization from the FDA or WHO, currently including: Pfizer-BioNTech Moderna Johnson & Johnson's Janssen AstraZeneca/Oxford Covishield Sinopharm Sinovac COVAXIN NOVAVAX To learn more, view the full list of vaccines with final WHO DUL/PQ evaluation status. Verify Your Vaccination Status We have partnered with Health Pass by CLEAR, which provides secure, digital proof of COVID-related health insights via a free mobile app. Health screening with Health Pass by CLEAR must be completed before coming onsite as part of the entry requirements for Heart House in Washington, DC. Already a CLEAR Member? Just use the email address for your existing membership and snap a selfie to confirm your identity. New to CLEAR? Grab your photo ID (driver's license or passport), COVID-19 vaccination record card, and your phone - then you'll never need your ID for CLEAR again! EASY STEP-BY-STEP PROCESS Download the CLEAR mobile app and tap the white Health Pass tile. Select 'Have a code' and enter the code ACC. Easily enroll or verify your identity with a quick selfie. Follow the prompts to verify your proof of vaccination. Before you arrive, reopen Health Pass, and take a quick survey. If your Health Pass displays a green background, be ready to show your Health Pass to the front desk security guard when arriving onsite. If your pass displays a red background, please do not come to the building and report your status to mmontoya@acc.org. About Your Data Privacy We only receive confirmation that an attendee satisfied the vaccine requirements and never has access to an individual's private health data. Learn more about CLEAR and Safe Expo.
